From the President...

After a gutsy effort against North Albany last weekend I think we are primed to make Railways earn every kick today in all grades. The under 16's are coming off a good win, the Colts needed to step up but tried hard and the Bloods looked like winners and just missed out. The League put in a big effort and applied the pressure but just need four quarters to get a much needed win. I'm sure we have the players to do it but just need to all fire at the same time and get four quarters of good footy happening. I'm a believer it can happen as are all our supporters.

No team takes the Sharks lightly anymore and I think they dread playing us just in case they are our next scalp. It must be a nervous time for them wondering what it's going to be like to suffer a defeat to us. Feed on it boys and make it happen because you are plenty good enough to pull it off.

Volunteer of the week goes to the lovely Kaitlyn Hull. Kaitlyn is one of our trainers learning under the guidance of our head trainer Taryn Meyer from Great Southern Physio. Kaitlyn is a bubbly girl always at trainings and games chatting and helping our players. I don't think I've ever seen her without a smile on her face; she is a very valuable member of the footy team. We all love and appreciate you Kaitlyn keep up the great work you are doing.

This week's Game Day Sponsor goes to Landmark. Plenty of Landmark people at the Sharks who do a heap for us so let's support them. I buy my steel pickets from Landmark, delivered by Scotty so you get fantastic service as well. They sell just about everything so if they have it don't buy it somewhere else, buy it at Landmark.

Enjoy your footy today, love the umpires and go hard at it Sharks.
